Dear Friend

On the other side is an order for £4 — which please pay to Wm L Garrison — as follows £2.00 is from Mrs Christine Scott of Liverpool for three years back & one year in advance for the Liberator — £1... from Mrs Birrell Cowgate Edinburgh for the Liberator for 1858 — & for postage on the paper for that year & this present one. 10/- from Henry Wigham for his Liberator for 1858 — There will then be ten shillings over to pay for "Helpers" Book which Eliza ordered in her last letter, and if it is less than ten shillings the overplus will perhaps pay for forwarding any letter or parcel that is enclosed in our Bazaar Boxes — We have sent off three boxes addressed to Maria W Chapman 21 Cornhill Boston which we expect will go by the same Steamer as this — the one that sails from Liverpool tomorrow I am not sure if the list will be ready to go with this but if not it will be sent by next Steamer or mail. It is much about the average value of some years past. Eliza is very sorry she has not time to write to thee with this but will try to do so very soon she unites in kindest Remembrances to thee W. L. Garrison & all friends with My Sincere Friend

We have written to Mr. Scott to-day to inform him that Mr. Garrison & others are raising an Appeal for the Rev. Mr. Burns' account. The Corp. of Parkman Academy contributed generously - & it is hoped that Edinburgh will not be behind hand. Mr. Scott is a Dr. Mr. Burns' friend & will undertake to forward the Appeal to Mr. Burns.
